

**Canadian Red Cross Babysitting Courses – Presented by:
Save A Life CPR & First Aid- Red cross Training Partner
Age: 11-16 yrs**

Participants Learn...

- How to care for babies, toddlers, pre-schoolers & school-age children
- Strategies to create a safe & positive environment & prevent injuries
- Problem-solving & decision making skills to handle emergencies & give first aid
- Age-appropriate activities & games
- Communication & basic business skills

High-Quality Materials

The *Red Cross Babysitter's Manual* is an excellent resource for during & after the course. The manual features color illustrations, checklists, sample resume, business cards, glossary & discount coupons for Zellers merchandise for youth. Upon completion, participants receive a Red Cross *Babysitter Wallet Card & wall certificate*.

Created for Demanding Standards

- The course has been recently revised with the latest babysitting information & first aid standards
- The course is facilitated by Red Cross certified instructors with first aid & teaching backgrounds
- Content reviewed by Canada's leading health & youth experts: **Health Canada, SMARTRISK, Safe Kids Canada, Fire Prevention Canada, Scouts Canada, RespectED, Canadian Agricultural Safety Association**
- Endorsed by : **Girl Guides of Canada**, Sponsored by Zellers
